

PRELIMINARY ENTRY REQUEST (PER)

This form enables Coaches to request an athlete be included on the Preliminary Entry List for a specific international event.

Sometimes the deadlines for Preliminary Entries are set for before the end of WNZ qualifying periods. Coaches (or in the absence of a Coach, the athlete themselves) are required to submit a PER for individual athletes who have identified a particular event on their 2025 Individual Performance Plan. Refer to the [2025 Selection Policy for International Events](#) for full details on qualifying periods, standards and events.

If a PER is not submitted for an event, the athlete will not be included in the Preliminary List as this indicates that the athlete is not targeting that event.

NB/ IWF Junior World Championships has now been combined with IWF Youth World Championships. Use the same PER for this combined event.

***Mini Pacific Games/Senior Oceania Championships is an Expression of Interest (not a PER) as the NZOC's requirements include a Long List supplied 7 ½ months prior to the event.**
