AUSTRALIA TAKES THE LEAD IN THE PREMIERS LEAGUE

Australia by beating Kiribati by a large percentage has elevated them to number one position in the League ladder. Some of the lifters performed extremely well and produced some excellent performances.

Samoa and New Zealand produced top performances as we expected with Samoa beating New Zealand by 160kg.

Papua New Guinea beat Fiji by a mere 69kg with Fiji only having seven men in the team and not eight. This cost Fiji the match. If there was a full eight men in the team the results could have read differently.

Nauru was far too strong for the Solomon Islands. Even though the lifters of both teams produced some really good results, Nauru was just too strong.

The third round will be held in the month of September. This is due to the Oceania and Pacific Mini Games to be held next month in Saipan, then the month after we have the Commonwealth Games in July/August. So the next round will be September 16-17
